

Stafford Conservation Commission Mission

- To work to promote sound land use practices in conjunction with our town, county and state agencies and commissions.
- To increase public awareness of the ecology.
- To promote community responsibility and awareness of our conservation needs and to encourage outdoor activity.

Stafford Conservation Commission

Established 1969

- The Commission meets every month of the year except August and December. See the town website calendar for details. **The public is welcome to attend these meetings.**
- We meet at the Stafford Community Center in the green room.
- The agenda and minutes are posted every month in the Town Clerk's Office.
- The Commission consists of 11 members and 3 alternate members. *Currently 9 positions and no alternates are filled.* **If you are interested in joining the commission, apply in the First Selectman's Office.**

Volunteers are welcomed.
